The person making this declaration is the attorney in this application, registration number 29, 202.

2. Declaration

I hereby declare that the accompanying substitute specification contains no new matter over that contained in the above-identified PCT application originally filed in German and as translated into English.

[] I further state that the changes made are the same as indicated in the hand written interlineated original specification also accompanying this declaration.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon. Futher, Declarant says not.

Respectfully submitted,

Date: August 9, 1995
